APTITUDE PROS

WHAT WE OFFER

We start with a deep understanding of adult learning strategies to make complex material easily digestible and entertaining. We do this through various tools tailored to your focus area so you are more knowledgeable and more prepared when you arrive at the testing center.

SECTIONS WE COVER

- Reading Comprehension
- Numerical Computation
- Numerical Reasoning
- Paper Folding
- Problem Solving
- Mechanical Comprehension

WHY US

We are the only test prep company that provides material for all sections of the Aptitude Exam and the only product set that includes the **Paper Folding** and **Mechanical Comprehension** portions specific to the Trade Aptitude Exam.

Other companies might say they offer more questions at a lower price, but their materials are not designed specifically for your test.
